Chamblee Scores Twice

Rams Take Opener With Falcons 15-6 Face Sharp Contest With Lake Worth

Belle Glade High School's Golden Rams led off their 1959 football season Friday, Sept. 18, with a 15-6 win over Forest Hill's Falcons. Memorial Field. It was the first grid battle for the losers who displayed some creditable football tactics for beginners.

Heavier than last year, the Rams didn't have too much trouble keeping the Falcons bottled up in their own territory; however, they did all their work on the ground when their first-quarter passing attack didn't click.

The Rams scored the only two points of the first half on a safety in the first quarter. After Belle Glade won the toss the ball see-sawed between the two teams until a Ram drive stalled on the Forest Hill 10. Halfback Neil Allen took a bad center snap and fumbled into the end zone.

Chamblee Scores
Although the Falcon offense (Continued On Page 3)

Water Collection Up At South Bay

Water bill collection has improved dramatically at South Bay after the city council granted certain portions of a program Gene Caruthers, who stated that almost half of the delinquent bills have been collected.

Caruthers pointed out that 25 meters were shut off in a move that netted \$926.19 of the \$2,024.11 in outstanding bills.

He also reported to councilmen Thursday that the 11th Florida Power & Light Co. franchise payment was received in the amount of \$479.82, a sum four times greater than the 1949 payment. Last year's rebate was approximately \$3,500.

It was also learned that the city is considering the acquisition of a consulting engineer to handle their water improvement program. The council received a proposal from a St. Petersburg firm.

Windham Will Be Civitan Speaker

Belle Glade Civitans will have as their guest speaker, Cpl. R. Windham, Florida Highway Patrolman, Pahokee Barracks, who will discuss the new state highway was today at Ray's Smoke House, South Bay.

Last Thursday the club played host to Mrs. Barbara Goodwin, American Cancer Society, Palm Beach County Unit, and Dr. Vitol Shepard, surgeon associated with the Palm Beach Tumor Clinic and West Palm Beach hospitals.

Mrs. Goodwin presented a movie on the seven basic danger signals which may mean cancer, called "Man Alive." After the movie, Dr. Shepard held a brief discussion covering the movie and his viewpoints concerning cancer.

He urged a yearly check-up and stated that cancer was not always fatal. Many lives, he said, are being saved with early diagnosis and prompt treatment.

Worse Than Khrushchev Follow Rules And Keep Your Head We'll Be Ready If Hurricane Hits

The Belle Glade Red Cross Disaster Committee had some strong words for Glades residents this week in the wake of the possibilities of a tropical storm hitting the area for the first time since 1951.

They warned both newcomers to the Glades and the old-timers that this hurricane business is serious business and demands everyone's attention, according to the committee.

Since storm Grade-or subsequent storms-might hit this area this season, they've come up with a set of rules you should follow, if you play, as the old song says.

A list of chairman for the disaster committee and proper shelters in the Belle Glade area are listed in this issue on page 3, LOOK AT IT.

Prison Committee Will Visit Here

Prisons Director H. G. Cochran, Jr., has arranged for legislators on the interior committee on prisons to tour Florida's state prison system early in October. Exact date is not known; however, the trip will, naturally, include a stop at Belle Glade.

The tour starts at the Apalachee Correctional Institution and the next day the group will visit the Avon Park facility for minimum security prisoners, and then they go on to the women's prison and farm camp at Ocala. The tour ends at Ralston State Prison.

Three Men Rescued After Ordeals On Lake Okeechobee

Ralph Lewis, West Palm Beach, was spotted at 7 a. m. Monday by Deputy Sheriff Bobby Kidder in the lake's plane, after he had drifted all night on Lake Okeechobee. Lewis had been out fishing from Slim's Fish Camp on Sunday and his gas line on motor broke. He was found 3 miles N. W. of Clewiston on Grassy Point. Slim Corbin notified the sheriff's office at 11 p. m. Sunday that Lewis had not returned, and Constable Ray and Deputies Bobby Newman, Frank Prevatt and Lee Wooten assisted by L. Vern Clark and Louis Lower, of the Belle Glade Police Department and Corbin made up a searching party. After a search of the lake, Lewis was rescued at 8:15 p. m. Sunday.

Clewiston CAP after drifting until 10:30 p. m. Saturday morning. The pair started out at 6 a. m. Saturday from Slim's Fish Camp and two (Continued On Page Eight)

New Directors For BG Chamber

Results of the recent Belle Glade Chamber of Commerce board of director election were announced last Tuesday night, according to Executive Director I. L. Price, who said that four new directors would be taking their oaths.

Election of board officers will be Oct. 6. New directors are Francis L. Harris, Ivan Van Horn, Larry Royal and Dr. Felsing. Felsing succeeds himself since he served the unexpired term of a previous director.

Retiring directors are Russell Tucker, Dr. Victor Mulberg and Dr. W. T. Forsee. Remaining directors are J. A. Roemer, Avery Bask, Richard Poston, Eddie Schoepel, August Kirchman and Dr. Forsee.

In other action the board re-elected Dr. Forsee as president.

Only Police Chief Opposed In Voting At South Bay

Only the present police chief is opposed on the slate of the South Bay municipal election Oct. 6, according to City Manager Gene Caruthers, who made the announcement following the close of the candidate filing period Monday night.

Caruthers said incumbent Police Chief I. Marvin Davis will face Homer W. Frasure in the race for the two-year post. Elfers is unopposed in the Group Incumbent Councilman Henry One test while Buck Cobb is unopposed in his bid for the Group Two post held by incumbent Ray Sullivan who did not choose to seek re-election.

Thus, the city's newest election rule changes will not get a test this year. The police chief's race was changed by the last legislature to stipulate that the winner in the race receive a majority of votes, not just more votes than other candidates, such as a three-man or more race.

The council posts were divided into Groups in order that a candidate might oppose a specific councilman or candidate without literally opposing others seeking a seat. With only one candidate in each group, this is the first time such a candidate has been unopposed in several years.

Voting information and polling locations will be announced next week, Caruthers said.

Science Workshop Planned At B. G.

The first Science Fair work shop sponsored by the Heart Association of Palm Beach and Martin Counties will be held in Belle Glade Saturday, September 26th to give an opportunity to Science teachers to learn more about project work in these fields as well as the councilmen and officials at Belle Glade High School will act as host to representatives.

Such a project as this will help us not only stimulate and assist the faculty members, but will also help the junior and senior high schools in the field of Science and Mathematics," stated Dr. Funderburg.

Mr. Robert Morie, Senior High School Science instructor at Belle Glade High School will act as host to representatives.

A check of the city council minutes during the past two years shows that only once did the council fail to vote unanimously on any action. Their one 2-2 vote was later ironed out.

(Continued On Page Eight)

First Small Claims Court In Glades Set October 29

First hearings of the Small Claims Court at Palm Beach County Glades Office Building will be held Thursday, Oct. 29, according to an announcement by Small Claims Court Judge F. A. (Banzai) Currie, who said that all cases filed by Oct. 9 can be heard on the above date, it was hoped.

The opening of a small claims court in the Glades is the result of many years of work and effort by many people for the idea which began in the Glades.

County Commissioner Paul

Paul Davidson Elected Mayor Wednesday Night

Davidson was elected Mayor of Belle Glade during the organizational meeting of the new Belle Glade City Commission which followed the regular Wednesday night council meeting. Davidson was unopposed in his second successful election to the council as West Palm Beach Commissioner. Palmer January, serving his second year on the council, was named vice-mayor.

The municipal officer appointments were postponed until the next council meeting Oct. 14. City Manager C. B. Talmadge was named city treasurer. City Attorney Claude Jones administered the oath of office to Davidson and the other two newly-elected commissioners, Clyde (Racy) Parrish, North Palm Beach Commissioner, and F. C. Markham, Central Borough.

Mayor R. W. Lanier, whose term expires Sept. 30, with Z. Ingrum, who also leaves the council after six years, made short statements of thanks to the councilmen and officials with whom they have worked.

A check of the city council minutes during the past two years shows that only once did the council fail to vote unanimously on any action. Their one 2-2 vote was later ironed out.

Letter To The Editor

Mr. Luther Jones, Editor
Belle Glade Herald
Dear Luther:

As one who represented the merchants in a recent RECOMMENDATION TO THE CITY in reference to parking, it is of concern and interest that the heart and core of the matter be publicly known for I would not be part of a misrepresented action nor do I feel that any merchant would be; and for this reason and the fact that we would like the exact feeling of the merchants represented we are, as a spokesman for this group of Ave. A merchants, reciting our views on parking.

The merchants did only one thing: information was secured from a City Commissioner that the parking problem was on trial as well as same fact appearing in the newspaper. On question of how the merchants could express their feeling and if a recommendation would be in order, the reply was that this would be satisfactory. A RECOMMENDATION TO THE CITY COUNCIL regarding parking was presented to each merchant available on Ave. A, and each expressed himself without coercion or prejudice, and here below is a copy of the RECOMMENDATION TO THE CITY COUNCIL.

RECOMMENDATION TO THE CITY FATHERS
We, the undersigned merchants of West Avenue A wish to express our appreciation to the Mayor, Commissioners, and city officials for their efforts in behalf of the congested traffic problem presented on this street. We realize that it is difficult to arrive, with this street traffic, at a solution doing the most good for the most people at a maximum of safety. It is our understanding that the present parking is on trial, and we do feel that it gives additional street space and more safety, however, we find that many of our customers, especially women who constitute 70% of the shopping traffic, simply do not and will not park parallel. . . . this fact with the decided number or available spaces reduced by 30% does affect potential business.

We would in view of these facts like to join together and recommend to the commission and city officials that consideration and trial be given in trying parallel parking on one side and angle parking on the other side. . . . this would take care of non-parallel parkers and equalize the number of available spaces. Your careful thought and consideration in this recommendation will be appreciated by the undersigned who wish not only to cooperate with the city in this traffic problem but also to ask for continuing cooperation as tax paying merchants dependent on both walk-in and drive-in traffic, and we feel a combination of angle and parallel parking would be worth trying.

As a spokesman for the merchants on this Ave., it was the general opinion that the side of the street on which angle parking be commissioners act favorably on this was not the utmost concern. We understand from a representative who attended the meeting of the commissioners at the time this RECOMMENDATION was read; that this matter was tabled for study, and justly so, as we ourselves do not favor "spur of the moment" actions.

I personally feel that we as merchants, alike with our city officials, have our problems, but that in one respect we are all bound to act fairly, justly, considerately, and respectfully. It is this common ground of respect that enables each one of us to live nobly with our fellow man, and what greater privilege is there?

Many Thanks!
Helen R. Browning

Sportsmanship And Rivalry

One of the better displays of sportsmanship and friendly rivalry was seen during the Forest Hill football game. It was a unique situation in that several of the Forest Hill faculty members were either close friends of Belle Glade people or former Belle Glade faculty members.

Former high school principal Frank Hobson, after many successful years at Belle Glade went on to head a school which has become one of the fastest growing in the county. It was obvious that some of his principles of formal education had rubbed off on the friendly Forest Hill student body. The crowd at the game gave a hearty welcome to former BGHS Band Director John Munroe as his new charges, the Forest Hill Band marched onto the field. There was more, too—there was the exchange of student visitors during pep rallies at both schools, a party for some of the cheerleaders—which all pointed to good sportsmanship and friendly competition.

We're happy to endorse each action in the hope that it becomes contagious and growing. It is certainly rewarding.

BELLE GLADE MEMORIAL HOSPITAL will be the scene of activities for the community's newest doctors, Dr. David Rowe (left) and Dr. Morris Greenberg, who are associates in the medical profession on S. W. 3rd St.

New York Doctors In Glades Now Help Memorial Hospital Grow

Dr. Morris W. Greenberg, M. D., listed on page 1704 of the Director of Medical Specialists; and his associate, Dr. David Rowe, both presently associated with Belle Glade Memorial Hospital are welcome additions to the community's medical practitioners, according to a release from the hospital.

According to Acting Superintendent Samuel Ellis, "We wouldn't stand a chance in landing such a fine surgeon (Dr. Greenberg) if it were not for the fact that 'lack of breathing space in the big city' just caught up to him."

Dr. Greenberg graduated in 1931 from New York Medical College, and he has been successful in the field of inner hospitals in and around New York City. He served in the U. S. Army from March 1941 to December 1945 and is now a colonel in the active reserve.

About coming to the Glades, Dr. Greenberg puts it this way: "When it got to the point that I must drive for over an hour to get to the hospital in today's traffic and then be unable to find parking space for another mile, I just about had it 'up to here."

The doctor is a "fellow of the International College of Surgeons" and a member of the American Board of Surgery.

Dr. Rowe met Dr. Greenberg in his hospital at Coney Island, New York, where he talked of Florida. Dr. Rowe had been located at Okeechobee until June 1956.

Graduated in 1945 from Mid-

Cub Scout Meeting

All parents of boys interested in Cub Scouting are invited to attend a Cub organizational meeting tonight at 8 p. m. at Jameson Hall.

Boys 8-9-10 years old are eligible, according to Tom Stewart, Cub Master for the year. Last year's Cub leader, Jack Hollingsworth, will also be on hand to help with the meeting.

Hibiscus Is Topic Of Chosen Garden Club

The Chosen Garden Club held its first meeting of the new year at the home of Mrs. S. B. Cowart Tuesday afternoon. Mrs. Ivan Van Horn was the guest speaker and gave a very informative and interesting talk on hibiscus. She had on hand various kinds and demonstrated the ones that could be rooted and those that could be air-layered.

A social hour was enjoyed following the meeting and the hostess served refreshments. It was announced the next meeting will be held at the home of Mrs. Paul Kirchman, Oct. 20.

June has been a time for marriages since the early days of Rome. Some authorities believe the month was named for Juno, the queen of the gods, who was the patron goddess of marriage, according to The World Book Encyclopedia.

Lewis Woodham Resigns South Bay Police Job

Lewis Woodham, South Bay policeman for the past two and one-half years, resigned from the city position Sept. 21 to be effective Sept. 30, according to South Bay City Manager Gene Caruthers.

Caruthers said Buddy Harrell, Bean City, had been appointed to succeed Woodham. Woodham's letter to the city said he was resigning "to enter into other work which I feel will prove more advantageous to me and my family. It has been my pleasure working with you gentlemen and all concerned during the past 2½ years."

Woodham told The Herald he would continue to reside in the Glades; however, he wasn't completely certain about what he would be doing.

Grant's Chain Begins

(Continued From Page One)
District Manager Arthur Specht of Largo and Regional Manager, Wm. Carr of Atlanta will be here this morning to see the official opening well done.

The local store is one of five Grant stores being opened in Florida during the next six days; so somebody in Grant's is of the opinion that southeast Florida's predicted growth is more than mere "prognosticators' " conversation. Grant's method of operation

is not self-service, but rather that of service at each department by sales persons, with a single wrapping counter, so that speed and service may be emphasized.

All local sales people have been in school for two weeks familiarizing themselves with Grant's system and fine points of merchandizing their offerings.

"There are four major departments," says Mr. Bazemore, "Fashioning For The Family, Dry Goods, Home and House Wares and Small Wares, and our

emphasized sales effort is "Service to the Customer."

More Civic Clubs May Join Legion's Boy's - Girl's State Program

Photo by Larriek Studio
SOUTHERN AREA VICE COMMANDER Leroy Tanner congratulated George Pierce (center) and Eddie Donofrio (right) on their chairmanships for the recent Labor Day barbecue which proved one of the more successful Legion activities this year. Tanner extended the handshake during his visit Sept. 15.

Photo by Larriek Studio
AMERICAN LEGION DEPARTMENT OF FLORIDA SOUTHERN AREA Vice Commander Leroy Tanner (left) was guest of honor at Everglades Post 20 Sept. 15 when Boys State and Girls State representatives reviewed their experiences to a large audience. Seen with Tanner (l-r) Jack Rashley, Boys State post chairman; Doug Thompson, Sidney Pearce and Phyllis Buss, the representatives; Mrs. Jane Rashley, Girls State auxiliary chairman; and Mrs. Tanner, southern area auxiliary president.

Boys and Girls State representatives spoke enthusiastically of their experiences at the American Legion - sponsored Tallahassee encampment this summer where they studied governmental operation and made tours of the state capital. They made their remarks to a group of more than 100 persons Sept. 15 at Everglades American Legion Post 20's dinner.

ner at which they were guests of honor. Each year the representatives, who are sponsored by the Legion, its auxiliary and the Elks Club, are speakers at a dinner at the Legion Hall at which they relate their experiences.

Commander Randolph Livingston introduced Jack Rashley, Boys State post chairman, who was in charge of the meet-

ing. During the evening, the proposal for more clubs to take part in the sending of representatives was well received by club representatives who had been invited to the meeting.

The post expects to send six delegates to next year's encampment and it has asked for civic club support for the project. Rashley thanked the school faculty members present for the

work they had done in selecting the delegates.

Principal Pellon Morris spoke briefly to stress the importance of the program. Area Vice Commander Leroy Tanner answered questions about the Boys' Girls State programs, and both he and Mrs. Tanner complimented the delegates on their talks.

Among the guests were Mr.

and Mrs. Herbert D. Beck, Mr. and Mrs. Lorenzo Connell, Mr. and Mrs. Leland Pearce, Mr. and Mrs. W. H. Buss, Mr. and Mrs. Pellon Morris, Mr. and Mrs. Roy Litchfield, Mrs. Rosa Nash, Mrs. Kathleen Livingston and Harley G. Morton.

The dinner was prepared by the auxiliary.

Ram "B" Team Opener On 29th

The Belle Glade Ram "B" team will open its football schedule next Tuesday night against Ft. Pierce's "B" squad. The Rams will be coached by Luke Thornton and Therrill Luke.

Expectations of a good season for the team, made up of boys from grades eight through ten and one possible junior, and this squad will replace the Junior High team which played schedule last year.

Some of the same boys will be playing from last year's which sported a 4-1 record. The team was described as a good heavy one. Coaches will have some 45 boys from which to choose, more than those out for varsity ball.

Sister Cheyenne GIFTED INDIAN HEALER

TO THE VOTERS of BELLE GLADE

I SINCERELY THANK THOSE WHO VOTED

FOR ME IN THE SEPTEMBER 15TH ELECTION.

BEST WISHES TO THE WINNER.

ZACK T. INGRAM

Football History Is A Long Story

Cheering coeds and klieg lights have brought football a long way from the days when the English stubbed their toes kicking around the skull of a Dane.

That's one theory of how the game started, according to research experts with The World Book Encyclopedia. The Danes occupied England from 1016 to 1042. A few years after they left, some workmen digging in an old battlefield uncovered a Danish skull and started kicking it back and forth. Several boys who had been watching dug up another skull and soon everybody was "kicking the Dane's head."

They were also getting bruised.

toes. Some precocious youngster substituted an inflated cow bladder . . . and the game of football was born.

In the 1100's, the "game" was more of a riot. Teams from neighboring towns—sometimes with hundreds of players on each side—met at some midway point. The bladder was thrown down and the free-for-all was on. The object of the game was to kick the ball into the center of the rival town. When the yelling horde descended on the town, pedestrians ran for their lives and shopkeepers bolted their doors.

Eventually the players were ordered to play in some vacant area or give up the sport. The teams retired to a field marked off with boundaries similar to those of a soccer field. And the towns—and football—were saved.

Rams Take Opener

(Continued from Page One)

sharpened in the third period, their drive was stalled and they kicked. End Sidney Pearce blocked the punt and the Rams took over on the Falcon eight. Halback sprinter John Chamblee covered the last yardage. The point-after try failed with Quarterback Charles Lutz on the keeper play. Chamblee later intercepted a Forest Hill pass but the gain was nullified by a Ram fumble a short time later.

Forest Hill scored in the fourth quarter after the fumble recovery gave them the ball at midfield. Passes by Quarterback Don Brodbeck and good running by Halback Kennon Brown led the march while two penalties against the Rams helped put the ball on the three yard line. Fullback Bill Sher-

ill went over from there. With four minutes left Chamblee and Lutz pushed the ball from their own 30 to the Falcon 49. Chamblee found a hole and went all the way for the last Ram score. Claude Robertson's kick was good for the 15th point.

Credits Along with Chamblee, Lutz and Robertson, Roger Walker and Doug Sands took part in some good plays. Defensively

Butch Buss, James Martin and particularly Gary Newman were playing well. Chamblee did well in defense, too. Ron Hudson, with his "Southpaw toe" provided better kicking than anything seen last year. The Falcons showed plenty of drive and potential ability for their first football game. Stan Liebla, Sherill, Brodbeck, and Larry Clark played heads-up ball along with Ken Brown.

GLADES CHURCH NEWS

Presbyterian Women's Group Plans Meeting

One of the most outstanding meetings of the year is the fifth annual meeting of the Women of the Church of the Everglades, scheduled in Miami, October 19-20 at Westminster Presbyterian Church.

Representing the Everglades Presbyterian Church here will be Mrs. Richard Murray, president of the Women of the Church. Elected at the monthly meeting of the group to attend as voting delegates were Mrs. J. Leighton Scott and Mrs. L. Price.

On the opening session on Monday, Mrs. R. A. Craig, a returned Missionary, Rutherford, N. C., will represent Presbyterian Foundation, Inc., and Mrs. S. W. Anderson, president, Women of the Church, Synod of Florida will speak on "New Paths for Florida Women." Elections of officers will be held.

Monday evening, all evening circles will be recognized and Dr. John Anderson, nationally known, minister of the First Presbyterian Church, Orlando will speak on "Understanding the Bible" and "Presbyterian Mission to the Nation." Husbands and friends are cordially invited to this service.

On Tuesday's morning program, Dr. J. Calvin Rose, chairman of Women's Work, Presbyterian of the Everglades, will speak and Tuesday afternoon installation of officers will be held.

Overnight accommodations are available, according to Mrs. Murray and those wishing to attend are asked to please call her so that reservations can be made.

The individual influences his environment, far more than his environment influences him. —Ernest M. Ligon

S. Bay Baptist Promotion Day

Sunday, Sept. 27 has been set as promotion day for the First Baptist Church of South Bay, Rev. C. L. Woolridge, pastor, asks that all superintendents to please make provisions for this day.

Homecoming Day at the church will be observed Oct. 25. A full day will be planned for the homecoming. There will be preaching in the morning and afternoon with a basket lunch spread at the noon hour and all who attend are asked to bring a basket. Mrs. Thurman McKelvey is chairman of the committee with Mrs. William Jeffries and Mrs. Albert Snyder assisting.

Tonight at 8 p. m. the brotherhood of the church will meet at the church for a work night. A revival at the church is also announced to be conducted October 18-24.

WMU Holds Installation

Installation of officers for the new year was held by the Women's Missionary Union of the First Baptist Church Tuesday night. Mrs. Clyde Parrish, retiring president presided.

Mrs. Charles D. Stewart, Canal Point was the installing officer. The following officers were seated: President, Mrs. L. C. Strayer, vice president, Mrs. Clyde Parrish, 2nd vice president, Mrs. Edward Strayer, secretary, Mrs. William Geckler, G. A. Leader, Mrs. J. R. Nutt, Sunbeam Leaders, Mrs. Frances Nelms, Mrs. Yvonne Guerry, Prayer chairman, Mrs. Earwood, Community missions chairman, Mrs. F. C. Markham; publications, Mrs. Edwin Rice.

The community missions project for October is sewing a day at the local hospital. Mrs. Parrish announced a Florida WMU day of instruction at Ft. Pierce and urged members to attend. Mrs. Henry O. Earwood presented the program which was on Florida State Missions and Cynthia Nuss, gave a resume of the year.

There were 16 members and three visitors present.

Nothing great was ever achieved without enthusiasm. —Ralph Waldo Emerson

WSCS Circles Plan Activities

The Mary Ruth Circle met at the home of Mrs. F. E. Hollingsworth with Mrs. D. W. Burry giving the devotion. The program was presented by Mrs. N. T. Taylor assisted by Mrs. Herbert D. Beck on "A New Year-New Responsibility."

Mrs. George Farnall, chairman presided. The program for the year was discussed. WSCS year books were distributed and the Ruth Naomi and Mary Martha, decided to combine, calling the circle Mary-Ruth and set meetings on the fourth Wednesday of the month at 3 p. m.

Refreshments were served by the hostess to 10 members and guests Mrs. John Dulany and Mrs. Lee D. Rustin.

The Clara Circle met at the home of Mrs. R. Y. Creech, Jr., Tuesday a. m. Mrs. Creech gave the devotion and Mrs. Clarence Kiddie, assisted by Mrs. Fred White presented the program, featuring a skit, "New Year Resolution."

During the business meeting plans for the year activities were made. Refreshments were served by Mrs. Creech. Ten members were present and two guests Mrs. John Dulany and Mrs. Gill.

The Arminta Circle met at the home of Mrs. J. H. Livingston Thursday a. m. with the chairman, Mrs. M. M. Sabiston presiding. Mrs. Vernie Boots gave the devotion and Mrs. Mendall Lee the program "A New Year - New Responsibility."

Reports of various chairmen were heard. Thirteen members attended and visitors were Mrs. Rustin, Mrs. Clarence Kiddie, Mrs. Culley Collins, Mrs. J. Allen Baker and Mrs. Lona Amering. Mrs. Frank C. Anderson was welcomed as a new member.

St. Elizabeth's Guild Slates Full Year of Activities

A busy schedule was announced by the various committee chairmen at a meeting of St. Elizabeth's Guild of St. John's Episcopal Church held at the home of Mrs. Tom Chappel at which Mrs. Doug Matthews, president, presided. Starting the year off will be a reception with Mrs. E. M. Lively in charge, to be held in the parish hall after the blessing of the vicarage on Oct. 18.

The Fall Deanery meeting will be held October 28 at Holy Spirit in West Palm Beach. November 12 is the date set for the annual turkey dinner, under the supervision of Mrs. Emmott Roberts, and bazaar refreshments are planned for December 12 and February 27. During the Lenten Season a Quiet Day will be held March 16 with a visitation from Brother Anthony, who is of the Order of St. Francis in Orlando.

A nominating committee composed of Mrs. Harold Zumpf, Mrs. Barnes Smith and Mrs. Chappel was appointed by the president to fill the vacancy left by Mrs. Doug Wooten, Vice President, whose letter of resignation was accepted with regret.

A free will offering was taken up to aid the Episcopal Radio TV Foundation which has grown since its inception in 1945 from 26 radio stations to 420 radio and TV stations in 1958. The Guild was to assist the Episcopal Young Churchmen in their project of a nursery held during church hours.

Mrs. Bregger gave a review on the book, "Fear Not," written by the Rev. Henry I. Lottin, Bishop of the Diocese of Louisiana. Refreshments were served to the 16 members present by the hostess.

Sermon Topics

Community Methodist Church: The Rev. Lee D. Rustin, minister will speak on the sermon topic "Why Go To Sunday School?" at the morning service and at the evening service "Measuring Our People."

St. Peters Lutheran Church: The Rev. August Koenig, pastor will preach on the sermon subject "Enriched in All Utterance and in All Knowledge."

Everglades Presbyterian Church: Dr. J. Leighton Scott, minister, will speak on the sermon topic "Gladiators Which Pays Off" at the 11 a. m. service and at the evening service at 7:30 "Bible Teaching and the Proper Use of the Lord's Day" will be the sermon topic of Dr. Scott.

God does not want us to do extraordinary things: He wants us to do ordinary things extraordinarily well. —Charles Gore

Allan Burry Is Head Of NSCF

Allan Burry of Belle Glade was installed new president of the newly formed National Student Christian Federation of the National Council of Churches, Sept. 11 at their conference held on the Oberlin College Campus, Oberlin, Ohio.

Mr. Burry son of Mr. and Mrs. Milton Burry of this city is a past president of the United Student Christian Council and of the Methodist student movement. He is in his third year of studies at Union Theological Seminary in New York.

More than 200 delegates from college religious organizations met at the conference grounds during the elections of the officers.

az of South Bay, was elected worthy advisor of the Order of Rainbow for Girls at the first fall meeting held by the group, Monday night at the Benevolent Hall.

Other officers elected were Sonja Figueroa, worthy associate advisor; Mary Ann Tillery, Charity; Sandra, Draa, Hope; Cinda Ponder, Faith. Other officers to be appointed by the worthy advisor-elect and the officers named will be installed at an open ceremony Tuesday, Sept. 29 at the Benevolent Hall.

Miss Sue Clarke, worthy advisor presided at the business session and Mrs. Mary McGraw acted as mother advisor in the absence of Mrs. Mary Schlechter.

Four girls were elected to be initiated into the assembly. Dr. Robert Allen and Mrs. Allen of the Rainbow advisory board were present. Dr. Allen announced the Pahokee Rainbow assembly was interested in having a football game between the two assemblies and would contact them for planning, if favorable.

Special Testing Set Next Week

Special testing will be carried out among seventh and eighth graders at Belle Glade High School next Tuesday, Wednesday and Thursday, according to Principal Pelton Morris.

Guidance Counselor Vince Marquess said the so-called California Achievement Tests are a series of comprehensive tests designed for the measurement and diagnosis of development in the student's reading, language and math areas.

New Arrivals

Sept. 17, Mr. and Mrs. Edward C. Dugan (Carolyn Edwards) Bamboo Apartments, N. Dixie, West Palm Beach, announce the birth of a son, Lloyd Edward, 7 lbs., 14 oz. at Good Samaritan Hospital. The proud maternal grandparents are Mr. and Mrs. Henry O. Earwood of this city, and the baby is their first grandchild.

Plant Board Inspector Named For Glades Area

Wilfred W. Smith of Fort Myers has assumed charge of the new plant inspection district created by the State Plant Board in the Lake Okechobee area. This new zone includes Glades and Hendry counties and the western half of Palm Beach County.

Although a regular inspection of plant nurseries is the principal function of the job, Smith will be responsible for the certification of all corn to be moved from the district, continual inspection for traces of the imported fire ant, and a regular check on traps set to attract a half dozen different fruit flies destructive to fruits and vegetables produced in Florida.

Smith and his wife, Betty Jane, are residing in Belle Glade.

Woodmen Officers Elected Sept. 10

Officers were elected Sept. 10 for the recently-activated Belle Glade Camp 710 of the Woodmen of the World at Belle Glade National Guard Army

following a catfish dinner. Earnest Amadee was selected as Consul Commander, top post in the civil-fraternal order which has become active after some 20 years.

Other officers elected: William R. Alston, Advisor; Lieutenant; Frank Gillis, Past Consul Commander; James Ellis, Banker; Ross Spears, Escort; James Penrod, Drill Captain; George Bearden, Sentry; Eugene Brooks, Watchman; James Anderson, Secretary.

Auditors are Cliff Friar, Audrey Farmer and E. J. Powell. Paul Bearden and Guy Lockhart were named to the social committee. It was announced that the order would hold meetings on the second Tuesday of each month at the army.

Woodmen of the World, Society group includes medical and other insurance benefits for members, rehabilitation programs and youth activities as well as social and civic work for members and its women's component, the Woodman Court.

Some 100 persons are presently members of the Belle Glade camp.

Who so would be a man must be a non-conformist. —Ralph Waldo Emerson

ALASKA QUEEN for 1959, chosen by judges recently at the annual Alaska Festival in Palatka, Florida, was lovely Barbara Leale of Lake City, Florida. The Festival, sponsored by the Palatka Junior Chamber of Commerce, is held each spring at the beautiful Navajo Gardens in Palatka.

Foundation Drive Results Stated

The final pledge tabulation of Palm Beach County Emergency Polio Drive totals \$37,124.99. According to figures just released by the district, continued support of the National Foundation.

All monies raised in the emergency drive will remain in Palm Beach County for the treatment of local polio cases.

Thanks are expressed to the Citizens Club of Belle Glade and the Jaycees of Pahokee for the collection of the donations telephoned in. Transportation was provided most willingly by the police departments of the cities of Pahokee, Belle Glade, and South Bay.

As soon as past debts for polio patients can be paid, it is expected that the local chapter of the National Foundation will be able to offer assistance to victims of rheumatoid arthritis, and the birth defects of hydrocephalus, Encephalocoele, and Spina Bifida.

With the advent of the Salk vaccine, the National Foundation has now undertaken the addition of Rheumatoid Arthritis, and birth defects to its program of research and patient care as funds become available.

Preview Of Progress Is Scheduled At High School

Science demonstrations are on tap for students of the junior and senior high level at Belle Glade High School Oct. 6 at 1:30 p. m. when the world-famous General Motors Preview of Progress show is presented.

Actual demonstration such as a miniature car powered by the sun, a jet engine and synthetic rubber that leaps from a pop bottle are a few of the interesting parts of the 40-minute show.

Staged to dramatize science's role in industrial progress under America's free economy. Preview of Progress is admission free. More than three million students and adults view it each year.

Monday's Sale Had 636 Cattle Sold

Monday's Glades Livestock Market sale of 636 cattle which grossed \$72,798.61 was the largest sale of the month and the largest of the past five weeks, according to the weekly market bulletin.

Fifty-eight percent of the offering went to stocker buyers. Compared to the previous week slaughter steers were 25 to 30 cents higher, heifers generally \$1 lower, calves \$1-2.00 lower, cows 50 cents to \$1 higher and bulls steady.

Stocker steers were 50 cents to \$1 lower, heifers 50 cents to \$1 higher, calves \$1-2.00 lower and cows steady.

James Henderson had the pleasure of going on Captain John's Cruise on Saturday morning in West Palm Beach.

His mother and grandmother carried him over to West Palm Beach and enjoyed a day on the beach.

Mr. and Mrs. H. L. Broadrick of Bartow spent the week end with her mother, Mrs. J. A. Henderson.

An outdoor leadership course is slated at Pahokee Nov. 10-12 from 7:30 to 10 p. m. with a 24 hour stay at camp. This is eligible to those having taken basic course. Those who wish to take the orientation course for beginner leaders may call Mrs. Allen.

Mrs. White, troop consultant, reported that progress is being made on development of Glades area block bank, and that she represented the Girl Scouts at the meeting and cards will be given out. Mrs. Allen announced that all troops should register during the first week of registration for each troop.

Among other business the group discussed campership and ways to increase number of them, in order that more might be made available to girls wishing to attend; new procedure for badges, application for troop camping and also troop forming; desirable time of year to have the annual cookie sale.

Mrs. Peter L. Chance, Mrs. Emmet Roberts, Mrs. Mendal Lewis were appointed on neighborhood fund drive committee to meet with Mrs. Allen, chairman to work out plans for a successful fund drive.

Mrs. Allen reminded the members that her term as chairman of the association expires at the end of the year and any suggestions for new chairman be to the nominating committee. She also had the ladies list the days that they couldn't possibly attend the neighborhood meetings in order to find a suitable day for everyone.

Those, their leaders and time of meetings are listed as follows: Third Grade Brownie Troop No. 64, to meet Tuesday, 8:30-9:30 p. m. Scout hut, Mrs. Jean Davis, leader, assistant, Mrs. Claire Bauman. Three Men Rescued

(Continued from Page One)

hours later discovered the water pump on motor broken and the motor burned up. They tried unsuccessfully to get to Kraemer Island but were blown by heavy winds and drifted all night about 14 miles to Observation Island.

Hubert Swain, a private pilot, spotted them at 12 noon Sunday. Before the pilots could return by boat, the pair had drifted again and could not be located until the Claxton CAP was called and the boatmen were found on Rock Reef.

Johnson, who told his wife that if he wasn't in by 4 p. m. on Saturday, to get a helicopter and look for him; had no idea it would be a reality. He said his wife made trips to Slim's up to 2 a. m. Sunday and when he had not come in at day break called her brother-in-law, Ralph Mock, who in turn had the plane on a searching trip. "I was pretty rugged," Johnson said. "The equinoxes showed on us when the wind quit blowing at intervals and all we had to eat was a box of crackers and two small cans of petted meat. He didn't say whether they caught any fish."

Booklet Just Out

On Tourist Folk

A booklet just issued by the Florida Development Commission presents a picture of Florida's tourist industry and describes the likes and dislikes of visitors to the Sunshine State. The booklet estimates the number of tourists who visit Florida during 1958 at about seven million and the amount of money spent at \$1,159,000,000. This figure was 13 per cent below the previous year, due to the cold, unseasonable winter.

On the credit side of the ledger is the fact that 50 per cent of those visiting Florida want to return to the state for another visit. Over 33 per cent of those surveyed also had complimentary things to say about the state.

Paul Davidson

(Continued from Page One)

out through the introduction of a unanimous motion which repealed the action brought about by the 3-2 vote over traffic and parking policies.

Council Action

The council received a 62-name petition from residents of Sylda Heights, Oak Park and Irene Park and surrounding area seeking the creation of a small playground or recreation area for children.

As explained by Mrs. N. B. Willis, instigator of the petition, the area around the station at N. W. 14th St. and Ave. D could be developed into an area to provide space off the streets for the 140 children represented by the 62 families, as well as other youngsters.

The request was turned over to the planning board for study and recommendation.

In other action the council ordered a 90-day trial of parking meter fine collection boxes to be furnished by the Traf-O-Tera System. Under the plan 18 collection boxes will be placed about the city on the parking meter stands for the purpose of collecting 25-cent fines which will eliminate a trip to the police station.

Appointed William Rogers to succeed the late John L. Evans on the Housing Authority. The council also ordered a resolution of sympathy spread on the minutes of the meeting honoring Evans who died Sept. 13.

Ordered a study of sewer changes for users of large amounts of water after a request from Sid Smith of Belle Glade Bottling Works.

First Small Claims

(Continued from Page One)

beneficial to the public the court in West Palm Beach has proven to be. I am proud of our excellent administrative staff, our clerks, who have made this possible in cooperation with the U. S. mail service, the constables and the sheriff's department."

Court

Deputy Sheriff Paul Sokol will act as bailiff and accompany the judge to the Glades hearings. Miss Procter will also attend the first hearings to assist Mrs. Pope, Judge Currie said.

Ladies Aid Meeting

Scheduled Sept. 29

Under the presidency of Mrs. Paul Kirchman, the Ladies Aid Society of St. Lutheran's Church will hold its first fall meeting Tuesday evening, Sept. 29, at the home of Mrs. Ed Duda.

Pahokee Coca-Cola Plant

Manager Is Lion Guest

Robert Fieber, manager of the Pahokee Coca-Cola Bottling Plant, was guest speaker at the Wednesday luncheon of the Belle Glade Lions Club held at the municipal country club.

Sketching the history of the drink, Fieber said a druggist in Atlanta, Ga., first mixed the drink in 1886. The Coke's familiar bottle was designed in 1890 and has never changed.

As he described the Pahokee bottling operation, he pointed out that some 192 million dollars a year is spent for advertising in addition to advertising at the local level. Eighty of every 100 Cokes sold is in bottle form, he said, and 60 million times a year someone, somewhere, buys a Coke.

New Directors

(Continued from Page One)

solved to cooperate with the city in its efforts to get the State Road Department to replace two antiquated bridges on S 717, the Country Club Rd.

Also, in carrying out a program through its port committee, headed by Avery Bass, the chamber will explore the possibilities of getting SRD to create a state park at the Belle Glade marina to aid in the development of the port site.

The directors also decided to renew their efforts to get a wooden bridge leading to Belle Glade Memorial Hospital replaced by a modern structure.

Follow Rules And

(Continued from Page One)

or lash awnings and close shutters. Use strong lumber to board up.

Collect all loose objects and place indoors. Check candles, lamps, flashlights, batteries, emergency cooking facilities. Lay up a supply of canned goods.

Conserve refrigeration. Turn the box to coldest setting and open as little as possible. Water supplies may be cut off. Fill containers with water after

sterilizing. Fill your car with gas. As storm progresses, listen to radio as much as possible.

DO NOT SPREAD RUMORS.

Stay inside during storm. Keep a window or door open on the side away from the wind. Use flashlights in lieu of lamp or candle for safety.

If the storm center passes your area stay inside. Don't be fooled. Winds could resume from the opposite direction, or with greater force.

After the storm, be cautious, and beware of low hanging wires, weakened porches, bridges and puddles of water. Use your phone for emergencies only. Report individual trouble only after utilities have been restored to your neighborhood.

Do report immediately hazardous conditions such as live wires and broken water mains. Protect your health. Boil water before drinking.

If you need help before or after a storm, watch for police or Red Cross workers or call DISTRICT HEADQUARTERS, City Hall, Belle Glade, WYman 6-2810.

Minimum initial charge (base rate)	\$3.50 per month
Each space (unit) for each house trailer or mobile home, occupied or available	\$9.00 per month
Mobile Homes:	
Mobile homes and house trailers outside licensed trailer parks and licensed trailer camps, Each unit	\$3.50 per month

Non-Residential Units

A monthly sanitary sewage service charge is hereby imposed upon each non-residential unit, as same is more specifically set forth herein and defined, to which the City Sanitary Sewage Service is available, with the monthly charges as determined by the respective monthly City Water Works meter reading, according to the following schedule, to wit:

First 6000 gallons or less, minimum initial charge (base rate)	
Each non-residential unit	\$3.50 per month
For each additional 1000 gallons or fraction thereof, Each non-residential unit per 1000 gallons	\$2.00 per month
The term, "non-residential units," as used in this section shall include all buildings and structures, within the intent of this ordinance, which are not set forth in this section as a residential unit.	
Connection Charge:	
A non-refundable sanitary sewage service connection charge shall be paid to the City at or prior to the time of connection, as follows, to wit:	
Each connection through September 30, 1959	\$25.00
Each connection thereafter	\$25.00
Deposit:	
A cash deposit, to be refundable on conditions prescribed by ordinance, shall be paid to the City at or prior to connecting to the sanitary sewage system according to the following schedule, to wit:	
Non-commercial residential units	
Each unit	\$5.00
Commercial residential units	
Each sewage connection	\$10.00
Non-residential units	
Each sewage connection	\$10.00
Adjustments:	
The City Commission reserves the right to make adjustments of fees, rates and charges in special cases, to make such rules and regulations and to pass such ordinances as it deems necessary to carry out the intent and requirements of this ordinance.	9-3-47

He received his basic training at San Diego Naval Air Base and on completion was sent to Great Lakes U. S. Naval Station where he studied in electricity and electronics. In March, 1959, he was stationed at Albuquerque, New Mexico. He expects to see overseas duty in Japan in the spring. Any of his friends wishing to write may reach him at the following address: S 3/c Marvin Bergman, USS Onskany, C V A 34, "W" Division 7 of Fleet P. O., San Francisco, Fla.

Jim Michaels Dies In Vet. Hospital

Funeral services were held at 2:00 p. m. yesterday in Spangtang, S. C., for Jim Michaels, about 50, who died Sept. 17, at Veterans Hospital in Coral Gables. Michaels will be remembered in Belle Glade as the former service manager of Belle Glade Motors. For the past two years

he and his wife Selma had operated the J and S Fish Camp near Okeechobee.

In addition to his wife he is survived by one married daughter who lives in North Carolina. Hobbs Crow Mortuary was in charge and burial at High-shoales, North Carolina Cemetery.

Adult Vocational Classes Begin Soon

The Palm Beach County Vocational School, in cooperation with Pella Morris, Principal, is planning to offer evening instruction in Beginning Typing; Beginning Bookkeeping; Beginning Shorthand; and Conversational Spanish, according to Kenneth F. Johnson, Director of Vocational Education for the county.

An organizational meeting will be held at Belle Glade High School at 7:30 Tuesday evening, September 22, 1959. All registrations will be taken and class schedules will be established at this meeting.

These classes will meet two nights a week from 7:30 to 9:30. The evenings will be established at the organizational meeting.

This instruction is part of the School Board's Vocational Education Program and is for adults 16 years of age or over who do not regularly enrolled in high school.

Persons interested in this instruction are requested to be at Belle Glade High School at 7:30 Tuesday evening, September 22.

Cancer Research Project Readied

Some 250 volunteers are being recruited by the Palm Beach County Unit of the American Cancer Society to become researchers in the largest health study attempted. It was announced by the ACS Palm Beach County unit.

First training session for volunteers will be held Oct. 23 at Miami. At least two Glades women have accepted positions on the committee of volunteer researchers in this county. Other members are American Legion Auxiliary members.

Mrs. Kathryn Swain, President of American Legion Auxiliary Unit 20, Belle Glade, and Mrs. W. C. Allen, Secretary, American Legion Auxiliary Unit 161, South Bay, are members.

Each researcher will be expected to select some ten households which will be studied for a period of six years with annual reports. In addition to answering an initial confidential questionnaire, each person in the study will be asked to fill out forms with supplementary information each two years. All of the data for study will be confidential, and local workers will not see the answers to questions on the forms. The information will be compiled into a national report when finished.

FFVA Committees Are Named

FFVA General Convention, Chairman J. P. Harless, Jr., Palm Beach, has announced committee assignments for the 1959 FFVA convention which began yesterday at Miami Beach.

Those named include Roy Vandergriff, Jr., Pahokee, in charge of the Wednesday session and George Wedgworth, Belle Glade, in charge of the fourth business session.

Reception committee members include Luke Fraser, Paducah, and E. A. McCabe, Belle Glade. Mrs. John W. Evans, Oviedo, chairman of the Ladies' Activities Committee has named Mrs. Louis Friend and Mrs. Roy Vandergriff, Jr., and Mrs. William Graber and Mrs. George Wedgworth, both of Belle Glade, among those who will serve on her committee which is responsible for entertainment and hospitality for wives of the members and guests during the meeting.

Best green celery for shipping!

Here are celery varieties specially developed and tested for shipping from Florida—outstanding for color, compactness, shape, and keeping qualities!

Tall Utah No. 52-70 is a Ferry-Morse development that is very compact and tightly shingled with high rib count. Thick, smooth ribs are medium dark green. Highly resistant to Brown Check.

Compak 1 is similar in type to Tall Utah 52-70, but has deeper color, holds better, and does not blanch as fast. It is recommended for early harvest in cool weather. Plant slightly shorter Compak 2 for harvest in warmer weather. Resistant to Brown Check and to boron deficiency.

Emerald is a new, early, blight resistant variety that is intermediate in type between Summer Pascal and Utah. It is especially suited for maturity during warm weather.

Order now from your Ferry-Morse representative!

Why we built two cars for 1960... as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two kinds of cars? Because America itself has been going through some big changes in the past few years. People are living farther from their seats. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tabs on these trends, have had a revolutionary compact car in the planning stages for more than nine years.

That is why we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create any a sawed-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new

feeling of spaciousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrust, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made. The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a six-passenger compact car, with a really remarkable performance... a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and air cooled; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it's only three cylinders long... and that leaves a lot more room for passengers. Another "right saving" like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength... it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design independent suspension at every wheel; conventional springs would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's... take them out for a drive. It may be that only logical choice for your family between two cars like this is—both. They make a perfect pair.
